Dear Prospective Donor,

The Regina branch of the Ukrainian Canadian Congress has undertaken a special project to secure and erect a statue, on the Saskatchewan Legislative grounds, commemorating the millions of lives that were lost in the famine- genocide (Holodomor) in Ukraine in 1932-33.

The project is very extensive. It included the approval of the provincial government, the Wascana Center Authority, as well as architectural and engineering guidelines.

The background information on Holodomor is now more prevalent. The Regina branch wishes, through our project, to make the public aware of this horrendous event, and pay tribute to the many innocent lives lost in Ukraine due to the famine genocide.

A project such as this is very heart-warming but costly. Currently, our branch has raised just over \$30,000 for our estimated \$65,000 project budget. It is our sincere hope that you, and/or our company, would participate financially in our project. Attached, is some information supporting our project, which future explains our needs and direction. Also there is a document showing the level of financial participation. Any donation of \$500 or more will be recognized on a plaque near the statue.

Trusting you will receive our request for funds positively.

For future information or clarification on our project, you may contact either: Orest Warnyca – Fundraising Chairperson at 306 584 0501 or 306 584 1844 or Orest Gawdyda, President, UCC – Regina branch at 306 761 5424.

Respectfully,

Orest Warnyca
